CMPT 276 - AI Disclosure Form - Spring 2025

Why this survey? This disclosure form aims to *help us understand and reduce any potential risks* related to the use of AI tools in this course.

Please complete the survey **by yourself** and be **truthful**. *Using AI tools will not negatively affect your marks for the assignment/lab/etc.*

What do we mean by AI tools in this survey?

AI content generators refer to any tools that create any type of content, including (but not limited to):

- ChatGPT and all other large-scale language models;
- Stable Diffusion and other AI-based Image Generators;
- Code extensions for IDEs;
- Other tools that are capable of generating text, image, codes, or any other content for the course work. BUT, Grammarly and other grammar checkers are NOT included.

10. Please explain your rating above about AI's impact on your learning for this submission. (Write in
    2-3 sentences) *

    Using AI content generators somewhat benefited my learning by helping me refine my ideas and
    improve the clarity of my writing. However, I made sure to critically analyze the AI-generated
    content and integrate my own understanding to maintain originality. This balance allowed me to
    enhance my work without becoming overly reliant on AI.
